Hello,

I was bored, so i tried translating this from the awesome Russian scans.

Never again ><!! I'm too lazy for this kind of work.
But i managed to finish this one rather nicely :)

please dont mind my typos.

this is purely fun made.

The starting price is one-hundred milliards
After all, we are not on a bazaar.
Calm down, calm down. You will be given enough time to state your stakes.
what!?
Millia rds...
O-one...

sfx blablabla

ギラ ギラ
A handred milliards is not the highest price for such a rarity!
really?...
Gentelmen, Dont forget This is a real statue of a Black Vampire! One of the participants in a lovers tragedy, that happened ages ago!

But, Ill deal with this
Those bastards!! I wanna go out there and expose them!
What the hell!? are they messing with our heads!?
Hmm... Not a bad idea..
sfx: tap
You better not get involved in this-
If it starts to smell, run.
Oi..
Axel?
sfx: dash bam
sfx: blabla
scram!
sfx: tap
!?
T-then.. A handred twenty...
I bid higher! A handred twenty and half!
He-he-he.. Gentelman, I remind you its not a bazzar..

Are your eyes growing from the back of your heads?
Hey folks, so you call this a Black Vampire?
Are you insane?!
he really went out there
A?!
Really Our toothy guy looks smart. But is actually
Oh, the idiot that sells the "Fake"
Y-you! Who are you?
What?!
Hey, who are you?
But you too are no-less of an idiots! For buying this pretty commercial.
what kind of scatterbrain Black Vampire is this.

Stop,
What...
A?!
If this is the original then she will revive, even with a pierced heart.
sfx: hop
!?
Are you insane!? Stop!! Dont you dare!!
You will not fool me with this kind of trick.
Because Black Vampires are immortal!
Look closely!

A....
He pulled it out!

sfx: pshhh
ドロォ
Gahi - S-she is rotting!
uAAA!
She's from a species known as "royal vampires"
Phisically similar to Black Vampires but they dont posses immortality So when the conservation process ends- this happens

sfx grab

Who's the hunter that got you this Vampire?
You probably didn't know about it being fake, but still I will ask! Who sold it to you?

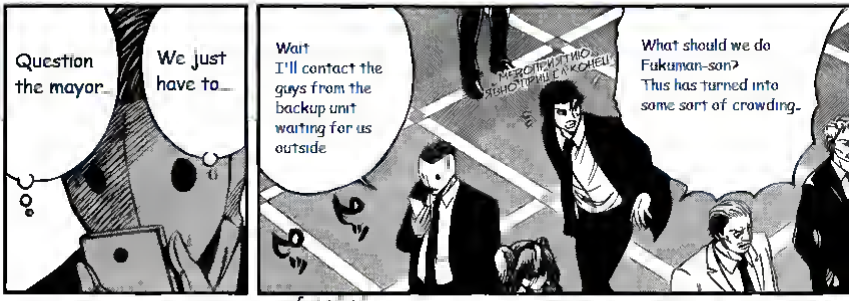
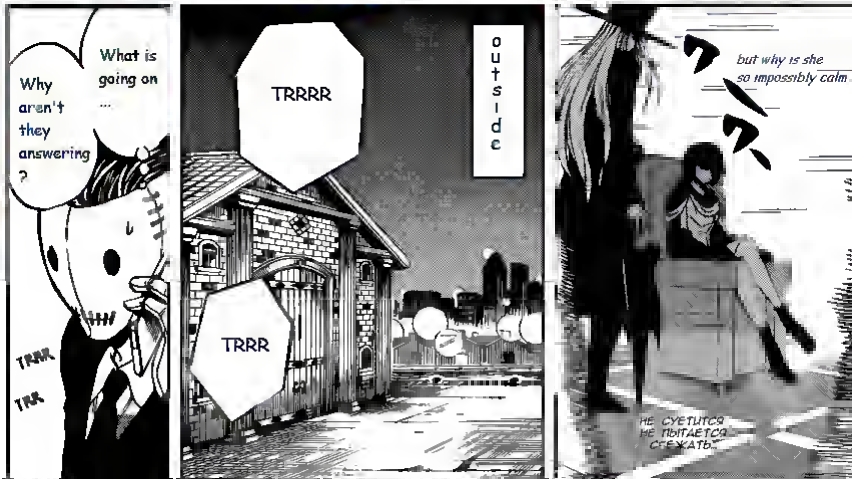
russian text: the event has come to an end



Question the mayor...
We just have to...
Wait I'll contact the guys from the backup unit waiting for us outside
What should we do Fukuman-san? This has turned into some sort of crowding...

sfx: pii pii

russian text below: not panicking or trying to run



sfx vuuuuu

sfx damn

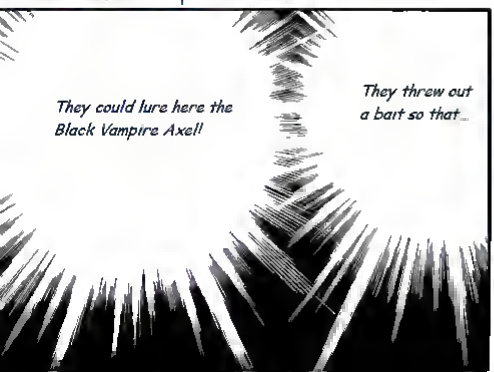
Then, get ready,
Soon you will die!
sfx: tuu tuu
sfx: piip
Possible!
Not-
Really
so.

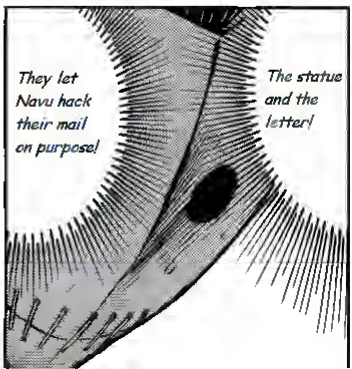
Russian text: Its clear!

Russian text: Now

Russian text: was a trap!

Russian text: All of this

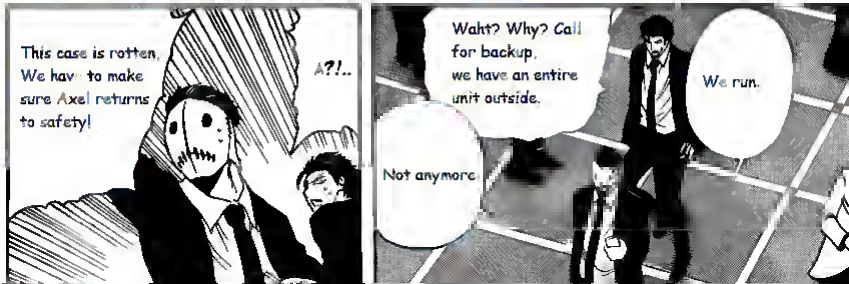




Lady Marduk
Could it be that the Mayor...
Is a Vampire Collector?!

Please notice how similar looking the Black Vampire in the photo and the person in this sale looks like he took the bait.

sfx: heh



This case is rotten. We have to make sure Axel returns to safety!
A?!..
Wait? Why? Call for backup, we have an entire unit outside.
We run.
Not anymore.

sfx
shixh

Axel
Run!
I turned off the electricity!
good job Navu!
.....
The one who captured her is close!
He's here
?!..

sfx: shift

Russian text: I have a bad feeling ...

Russian text: Highest purity silver
sfx: bam
sfx: pshh
sfx: pshhh
!?
Gah!
Vampires have only one weak spot
Unalloyed Argentum
Pure silver makes them weak. Just like now.

I? The one who shaped this silver.
Arghhh!!
Who.. Are.. You..?!
One of the perseonal Vampire hunters of the Mayor, Viz Shiver.
Will capture You!
And I

I had begun to think that you wouldn't appear.
Well, finally.
sfx: bam
!?
A fang?!
sfx: haaa..
Shall we begin?
I have a lot of questions to ask you.
